Save that Milk!

It's called liquid gold for a reason and no mom wants to waste to even a drop. Easy to use, simply slip the [Milk-Saver \(http://www.mymilkies.com/node/24\)](http://www.mymilkies.com/node/24) into your bra-cup on the non-nursing side before you breastfeed. The Milk-Saver collects the milk that is leaked when your breast milk lets down. You can store this milk and save it for any time it's needed. Genius and such an easy way to build up your freezer stash.
